Dear Parents and Students,

December Special Timetable

At Indigo, we listen to your feedback! Taking cognizance of the fact that some of our students will be away for their year-end holiday and other school activities, we have introduced a special timetable for December 2018. This will ensure that students will not miss out on their learning while they are enjoying their year-end holiday!

Special December 2018 Timetable

For December 2018, we have scheduled double lessons weeks for the entire month, so as to provide ample opportunities for students to attend all 4 lessons in December.

Hence, by choosing between Option A and Option B, students will have the opportunity to attend all 4 lessons (8 hours) for the month of December, and not miss out on their learning. Please refer to the timetable below for easy reference.

However, rest assured that the lesson content in Option A and B are identical. You can cross between Option A and B if needed.

Further, please note that the December 2018 Timetable listed below is in place of the regular lessons. Classes will revert back to the usual regular lessons from the week commencing 31 December 2018.

If you have any enquiries, please do not hesitate to give us a call or send us an email. We look forward to seeing you in class!

Best Regards,
Working hand in hand... Commitment always...

Mr Samuel Lim
Principal, Indigo Group

For each subject enrolled, choose option A or B.

Lesson content in option A and option B are similar.
